Comments:

I live on Hayden Island and I try not to drive north on I-5 in the afternoon. I feel we

"islanders" are penalized by living the farthest north on I-5, and are not allowed to drive in the HOV lane with only one person in the car. I propose giving us Island residents an identifying card to place on our rear view mirror, or somewhere visible on the dashboard, so that we may get home faster and not have to be stuck in all that Washington northbound traffic.
