E-Mail: glenisnotdead@hotmail.com

Address: 7915 N. Emerald Ave.
Portland, OR 97217

Comments:

The last thing we need is more CO2 in the air, more cars on the freeways and streets of Portland, and less money for real and lasting improvements to the area. I would only support your current plans after measures (like tolling and individualized marketing programs) along with enhanced transit and earthquake upgrades were attempted BEFORE building 12 lanes. We can reduce CO2 emissions and congestion WITHOUT building a new freeway bridge.
