Columbia River Crossing
901 Heather Gunderson
700 Washington St. #300
Vancouver, Wa, 98660

The idea that a new bridge between
Portland and Vancouver on I5 is
not compatible with any reports
on the future of the Area.

I am 83 years old, remember
giving tokens to go over the existing
bridge, and it would be viable
again, with forward thinking
and planning. It is imperative
for the future of our Area.

Sincerely

Ruth Nell Waldroff
