Comments:

just do it! old bridge is not safe, need new bridge with current engineering technology.
 need mass transit (Rail + Bus) between Vancouver downtown and Portland downtown. Please consider Express Rail as well as Express Buses.
 I moved my business to downtown Vancouver in 1994 in anticipation of Light Rail and downtown revitalization.
 I think this would move freight & people better and improve air quality.
 Better bike paths a must, time to park the car whenever possible. GREAT presentation!
