Comments:

I was pro light rail until I saw the options. It is too disruptive through established business areas with little benefit to Vancouver residents. 2 way on C Street better - wider + will be torn up anyway or 2 way on Washington. Completely Oppose Broadway - light rail - It would displace parking + adversely affect most businesses during construction. 16th St. is absurdly costly + goes right thru residential area. Why are only ~~Washington~~ Portland firms designing this project?
