Comments:

No light rail - too inflexible. Bus Rapid Transit is less expensive and flexible. Light Rail will negatively impact our city & community. We ARE NOT Washington DC, LA, New York - we are not a large city. We do not need an eyesore train going right through our city center. If your goal is to destroy the development of the downtown core, putting in light rail will accomplish this goal!

It appears the CRC does not really know the "rules" of an DEIS and are opening themselves up wide for a "day in court"!
