Comments:

Local Politics is dominated by land owners + developers, although mostly free of corruption in Vancouver.

ERC could provide incentives to protect the farmland in Northern Clark County by not encouraging more commuters. We should reduce greenhouse gases.

The investment in encouraging new business in Clark County needs to be pursued in Olympia.

NOTE: The design of the options are unimaginative. The Pearson Airport dangers can be mitigated. If you build something, make a bold and beautiful Statement.

1. WHICH BRIDGE OPTION DO YOU SUPPORT? (please check any that you would support)
