- 1) I am against all tolling.
  
- 2) Stop all gas tax money going to public transportation...build roads & additional lanes with this funding source!!!!
  
- 3) Build a replacement bridge like the 205 bridge.
  - a) add lanes for all vehicles to use, no dedicated HOV lanes
  - b) spend very little for bike/pedestrian paths.
  - c) allow space for future light rail implementation....only if funding available!
  - d) pay for it with gas tax funding...NO TOLLING!!!!!!!!!!
