Portland, OR 97211

Comments:

I am already on your e-mail list

I would like to see it as a beautiful addition to the city. I know there are limitations, but it would be nice to make this pleasing to look at. I spend many hours sailing on the river and would like something nice to see from there.

I would really like a max link north to Vancouver as well as a "safe" way to ride a bicycle across to shop and go to activities in Vancouver.
