Comments:

Please do not cave to the folks in Clark County who do not want light rail and the Multnomah County folks who do not want to replace the bridge. Where have they been with their comments and concerns when CRC was early in the process. Light rail is essential to reduce traffic and emissions. Bring it up Main to Lincoln. I live in Shumway and I am all for it. Bring it anywhere, as long as it is across the river on a new bridge.
