Address: 1101 W 35th Way

Vancouver, WA 98660

Comments:

I lived in Portland for a number of years and traveled by light rail to and from work. I recently bought a house in Vancouver because of housing opportunities. I am in favor of

light rail because it is an excellent way to travel, it is needed to help with congestion and the growth of the already populated Vancouver-Portland area. It would be insane for the political and community to proclaim this project as void.
