Comments:

We must have a new bridge with a light rail from Portland  Vancouver - that's a given with no tolls.

My worry is the impact on Jantzen Beach Morage where I live. I occupy the last house, West of the bridge. It is a magical place in which to live. My biggest concern is the relocation of my friends on the rows closest to the bridge.

I would love to see a separate exit ramp only for inhabitants of the island, starting at Rose Parks Blvd.

Please leave the West end of Taylor Island as a natural environment for the marvelous treasures of flora & fauna found there.

I have lived on my floating home 12 yrs here.

2. WHAT HIGH CAPACITY TRANSIT MODE DO YOU SUPPORT? (please check any that you would support)
