Comments:

I pay taxes to both the govendors of Washington and Oregon. I get nothing for the taxes I pay in Oregon. Use my Oregon taxes to pay my share of the Bridge.

For Light rail, to get the people of rural Clark county to support it, you must get the tracks out to where we can access it easily. The ideal would be the Clark Couynty Fairgrounds. that way it would aliviate traffic problems during the fair and when concerts are planned. It would also be easy to expand an other line down 205 to connect to the airport line at a later date.
