Comments:

- 1) Tolling should be at the state line only.
- 2) Sound walls need to be at least six feet high.

- 3) Tolls should not be charged to bikers/pedestrians.
- 4) Consideration needs to be given to future plans of Port of Portland in the event they begin directing truck traffic from west Hayden Island to Interstate 5. The PoP is very quiet on future plans for a very pristine section of island and development could make the current project obsolete quickly.
