To Whom It Concerns:

I am a licensed real estate broker in Oregon (32 years) and Washington (7 years).

In my opinion it is hard to imagine a project more beneficial to the vitality of the economies of Oregon and Washington than a viable I-5 crossing for the Columbia River. The positive impact will cross many boundaries: economic, environmental (stalled traffic pollution), social, and our status as vigorous metropolitan area.

Thanks you,

David J. (Dave) Koch
