Comments:

*My understanding, as a resident of Hayden Island:  
Under the options that supplement the existing bridges,  
there would no longer be access to the island from  
Marine Dr. or MLK Jr Blvd. (grade differences)*

*This would be totally unacceptable! It would require  
Island residents & visitors to enter I-5 at Delta Park or  
another access point, making travel on Marine Dr. or MLK  
very awkward & inefficient.*

*This loss of access to Hayden Island would be  
highly detrimental to the residents, and likely to  
Hayden Island businesses also.*

*Do not damage the Island by an option that so  
restricts access to the Island!*

### 1. WHICH BRIDGE OPTION DO YOU SUPPORT? (please check any that you would support)

- Replace the existing bridges *(for above reason) Supp. 3-4 & 7-5*
- Supplement the existing bridges with a new structure
- Do nothing—make no changes to the existing bridges
- No opinion
