Subject: New I-5 Bridge
Date: Monday, June 23, 2008 4:33:33 PM
Attachments:

Please approve the new I-5 bridge. We need it for better traffic flow and to decrease commute times. I also believe that light rail should be included on the bridge as it is a true time saver for commuters that work in Portland. We need a new bridge to attract new business to our community.

Thank you.
