Comments:

*My understanding, as a resident of Hayden Island:
Under the options that supplement the existing bridges,
there would no longer be access to the island from
Marine Dr. or MLK Jr Blvd. (grade differences)*

*This would be totally unacceptable! It would require
Island residents & visitors to enter I-5 at Delta Park or
another access point, making travel on Marine Dr. or MLK
very awkward & inefficient.*

*This loss of access to Hayden Island would be
highly detrimental to the residents, and likely to
Hayden Island businesses also.*

*Do not damage the Island by an option that so
restricts access to the Island!*

1. WHICH BRIDGE OPTION DO YOU SUPPORT? (please check any that you would support)

- Replace the existing bridges *(for above reason) Supp. 3-4 & #5*
- Supplement the existing bridges with a new structure
- Do nothing—make no changes to the existing bridges
- No opinion

2. WHAT HIGH CAPACITY TRANSIT MODE DO YOU SUPPORT? (please check any that you would support)

- Bus rapid transit between Vancouver and Portland
- Light rail between Vancouver and Portland
- Do not add high capacity transit between Vancouver and Portland
- No opinion
