Address: 3820 SW 3rd

Gresham, Or 97030

Comments:

Leave it as it is or build it right. A toll bridge should be a last ditch option, and quite frankly, not at all. Work out funding a little better with the Fed's based on our ability to

fund. I know Clark Co doesn't like the light rail option, but it would work alot better than the buses. Especially in the long run.
