Subject: Feedback on Proposed Toll
Date: Wednesday, May 28, 2008 7:45:06 AM
Attachments:

Dear Reader,

I would like to express my opposition to the recent proposal to place a toll on the Interstate Bridge. With increasing gas prices, commuter rush hour traffic has already decreased. Such a toll would place an additional burden on the working class - one that is not needed in the current economic climate.

Sincerely,

Catherine Southern
