Comments:

I will not, I will not take light rail to Portland. The projected area for light rail does not

go where I work, play or shop or visit my family.

I will not take light rail because it is too costly and very extravagant for me to pay taxes for drug dealers and gang members to travel.

Light rail has been voted down 2 times in Clark County and the "will of the people" should be a very large factor.

Who came to the conclusion that anything other than the auto is high capacity? How many people would take bus or light rail? ANSWER: Only the existing people that currently take it. Do you really think that all the truck traffic is going to take light rail or bus? Come on. GET REAL!

NO LIGHT RAIL!!!!!!!!!!!!!!!!!!!!!!!!!!!!1
