Date: Wednesday, January 26, 2011 8:31:47 AM

The address for shop drawing submittals is in the standard specifications, section 6-02.3(28)
A. The address if using the US Postal Service is:

Washington State Department of Transportation
Bridge and Structures Engineer
Construction Support
P.O. Box 47340
Olympia, WA 98504-7340

If using FedEx:

Washington State Department of Transportation
Bridge and Structures Engineer
Construction Support
7345 Linderson Way SW
Tumwater, WA 98501-6504.

The specification states that 7 sets need to be sent to the address above and 2 sets need to be sent to the project engineer at:

Frank Green
700 Washington Street, Suite 300
Vancouver, WA 98660

Hopefully this helps. I will forward the .pdf you sent to the office to see if they can begin looking at it.

Thank you.

Hi Frank.

Attached you'll find the shopdrawing submittal for the Bubble Curtain rings (bottom and upper rings). This is to satisfy Section 1-01.3.

I still need to mail hard copies (11x17 sheets). Please provide me an address (and contact)

to mail the shopdrawings to.

Thanks.
