John/Mark,

Since I was out of office earlier this week I'm not sure if you were aware that James Schufreider designed the Bubble Curtains for Contract 8078. Since he stamped the plans you guys probably already have this taken care of and will include him in the review of all submittals related to the Bubble Curtains. I have attached his contact information in case you need it. If you have any questions please let me know.

Thanks,

Keith Daly
