> Contract 8078, I-5, Columbia River Bridge Temporary Pile Test Program WA 0.3 to OR MP 308.0 State Project Serial Letter No. 27

RE: Contract Closure Issues

Gentlemen:

We are in the process of finalizing this contract. We would like to generate the Final Contract Voucher Certification for this contract. In order to close this contract, the following items need to be submitted.

The following material deficiencies need to be addressed:

Request for Approval Material Source
Item # 2.17 Water Tight Reusable Crates – Need RAM
Item #3.17 Water Tight Reusable Crates – Need RAM

In addition, we have not received the following Affidavits of Wages Paid:

American Construction Co., Inc.

Rainier Welding

Also, attached is a Comparison of Quantities Report which details the quantities currently paid to date. Please review these quantities for any obvious discrepancies. Upon resolving the items mentioned above and coming to agreement on the final quantities paid, we will send you a Final Contract Voucher Certification for your signature. Please submit the requested information no later than April 20, 2011, so this project can move toward completion.

American Construction Co., Inc. April 6, 2011 Page 2

If there are any questions, please contact this office at (360) 816-2208.

Sincerely

Frank Green, P.E.

CRC Structures Engineering Manager
