Subject: Contract 8078, Columbia River Bridge Temporary Pile Test Program
Date: Tuesday, May 31, 2011 3:50:24 PM
Importance: High

Kevin,

As you are aware we have requested that American Construction Company submit the final documents in order to assign Contract 8078 a completion date and close contract. We have sent the following requests.

May 9, 2011 – Serial Letter No. 29 contained the Final Contract Voucher Certification and copies of the final estimate package and requested that you review, sign, notarize, and return the Final Contract Voucher Certification.

May 19, 2011 – In an email I sent you the Quarterly Report of Amounts Paid as MBE/WBE Participants and asked that it be completed and returned.

May 24, 2011 – In a telephone conversation we had you acknowledged that you had received the Final Contract Voucher Certification and the Quarterly Report of Amounts Paid as MBE/WBE Participants and that you were returning them.

As of today we haven't received either document. If we haven't received the Final Contract Voucher Certification and the Quarterly Report of Amounts Paid as MBE/WBE Participants by June 3, 2011 I will be required to establish a completion date (for the purpose of meeting the requirements of RCW 60.28) and unilaterally accept the contract in accordance with Section 1-09.9 of the Standard Specifications. If there is a reason why you are unable to return the Final Contract Voucher Certification and the Quarterly Report of Amounts Paid as MBE/WBE Participants please let me know.

Thank you,

Keith Daly
Budget Manager
