	IDR Sheet	of	Sheets
Contract	Day	Date	
8078	Friday	January 14, 2011	

DIARY - Including but not limited to: a report of the day's operations, time log (if applicable), orders given and received, discussions with contractor, and any applicable statements for the monthly estimate.

Frank Green provided verbal approval today to issue Change Order No. 1 which will revise contract plan sheet PLS1 by showing the additional preexisting geotechnical boring locations. The coordinates of the additional boring locations were added in Addendum No. 1. This is a no cost change order and time is not affected.
