Hello WSDOT 520 Project,

I-0582-001 | In regards to a replacement 520 bridge, I will be primarily bicycling over the bridge and prefer as many destination options as possible. I would like to be able to head south at the Arboretum, continue straight over Portage Bay to Eastlake Ave or turn off at Montlake.

I-0582-002 | I am not interested in the Pacific Exchange Option if it has a high bridge with a 6% grade climb for cyclist into the University District.

Thanks,
Jim Hunt
