Comment:

The Pacific Street Interchange will have a terribly adverse effect on UW recreational activities in Union Bay. For generations now, UW students, faculty, staff and alumni have enjoyed myriad waterfront activities that will have to take place in the shadow of 520 if this horrible plan comes to fruition.

Please do not let 520 expand to the other side of the Montlake Cut. The ecological, social, and aesthetic cost is too great (not to mention how much more expensive this option is compared with the alternatives).
