Dear Mr. Krueger,

I-1073-001 | Protect the Arboretum! I support a 4-lane, transit-based plan for the 520
I-1073-002 | Bridge. Also, I request that a thorough Section 106 review be undertaken of
the effects of the SR 520 Project on Washington Park Arboretum, Lake
Washington Boulevard and University of Washington Campus. All are
significant Olmsted cultural landscapes, all are eligible for National
Register of Historic Places, and all are adversely impacted by all proposed
520 alternatives.

Thank you.
