Subject: I support Pacific Street Interchange (520)
Date: Sunday, October 29, 2006 10:27:48 AM
Attachments:

I-1178-001 | I have spoken with Jonathan Dubman and Rob Wilkinson, and asked several questions, and the plan they propose seems by FAR the most sensible to me.

Please give full consideration to all that is at stake, and if there is a good reason NOT to go with the Pacific Street Interchange plan, please let us know.

Thank you,

Jamen Shively
