I-0273-001

What I feel is intelligent is to design a roadway that expedites traffic, car, foot, bike, etc in a clean, aesthetic efficient way. Cars sitting in traffic pollute - use energy & are unattractive. The Pacific Interchange seems to be the best alternative - Extending the "lid" further to the east to mitigate noise pollution etc on Lake Washington Blvd. - We must save the historic Montlake Bridge + the Montlake neighborhood.

Continued on back
