*I am disappointed in the format of the public meeting.*

*We citizens are not able to hear each others concerns - & learn from each others ideas because we are divided up by these many posters & explainers.*

*I and others see this as "divide & conquer"*

*'give us democracy, not brain washing'*

I-0352-002

This Plan builds a city of car drivers -  
 - This plan enables people to satisfy their greed to drive & use up resources, ~~what~~ Destroy neighborhoods etc -  
 If we didn't have the option of commuting - we would work close to home, build our neighborhoods

This plan commits the sin of being an asshole -
