7. Do you have any comments on the SR 520, I-5 to Medina: Bridge Replacement and HOV Project Supplemental Draft Environmental Impact Statement?

I-105-001

I am a 22-year 520 commuter and a 23-year resident of Montlake. The current design for the west side replacement is massively over-sized and will damage my neighborhood. As a 520 commuter (both automobile and bus), I believe the size of this destructive expansion is completely unnecessary.
