**C-027-001**

Casa Latina has a workers/laborers program and is located on Western Ave. Due to the viaduct program/reconstruction we are obligated to relocate the workers center. Your assistance is critical to continuation of this nonprofit organization.

**C-027-001**

In March 2009, Casa Latina moved to their new building east of I-5 in the International District neighborhood. The new location is outside of the Alaskan Way Viaduct project area.

WSDOT will comply with the federal requirements for disadvantaged business enterprise (DBE) participation. WSDOT cannot require contractors to hire workers from specific organizations. However, WSDOT can and does encourage contractors to work with local organizations and to develop programs that draw on the local labor pool.
