

Alaskan Way Viaduct and Seawall Replacement Project

Draft EIS Comment Form

Please use this form to give us comments on the Draft Environmental Impact Statement (Draft EIS) for the Alaskan Way Viaduct and Seawall Replacement Project. The comments you make will become part of the public record for this project. Your thoughts will help decision makers develop a preferred alternative. Responses to your comments will be provided in the Final EIS.

Contact Information: At a minimum, please provide your name and Zip Code. If you would like to be added to the project mailing list, please fill out the rest of the contact information and check the box below.

Name: David Laxdall

Organization/Membership Affiliation (optional): _____

Address: _____

I-310-001 What are your comments about the project?

The present Viaduct serves West Seattle - Ballard - Downtown traffic efficiently. Don't mess with it. The present Viaduct is beautiful. Let the tourists learn to appreciate art. Fix the sea walls cheaply as possible.

(Please use additional paper if you need further comment space)

I-310-001

Thank you for your comments. The lead agencies have identified the Bored Tunnel Alternative as the preferred alternative. Please see the Final EIS for current project information.
