

Alaskan Way Viaduct and Seawall Replacement Project

Draft EIS Comment Form

Please use this form to give us comments on the Draft Environmental Impact Statement (Draft EIS) for the Alaskan Way Viaduct and Seawall Replacement Project. The comments you make will become part of the public record for this project. Your thoughts will help decision makers develop a preferred alternative. Responses to your comments will be provided in the Final EIS.

Contact Information: At a minimum, please provide your name and Zip Code. If you would like to be added to the project mailing list, please fill out the rest of the contact information and check the box below.

Name: LESTER M. KERROSS

Organization/Membership Affiliation (optional): _____

Address: 2000 ALASKAN WAY #550

What are your comments about the project?

I-315-001

THE BATTERY STREET FLYOVER DETOUR SIMULATION
AS SHOWN ON PAGE 143 EXHIBIT 10-11 IS A HORRIBLE
CONCEPT. IT RUNS IMMEDIATELY IN FRONT OF OUR
CONDO AND WOULD MAKE LIVING THERE IMPOSSIBLE

(Please use additional paper if you need further comment space)

I-315-001

After the 2004 Draft EIS was issued, numerous comments were received relating to the visual impacts and other negative effects of the Battery Street Flyover Detour. As the design plans for the Cut-and-Cover Tunnel and the Elevated Structure Alternatives evolved, the Battery Street Flyover Detour was eliminated.
