Subject: SR99 tunnel

**I-002-001**

I was born in Seattle in 1945 . I have waited my entire life to see the eye sore viaduct 99 replaced . I am thrilled at the possibility of a world class Seattle waterfront. I believe that the future of Seattle centers on better public transportation . Do not be bullied by the more auto , more freeway more bullies. BUILD THIS TUNNEL and make it as slick as the video presentation you have produced.
