What are your comments about the Project?

I-085-001

In 2001 the Nisqually earthquake raised awareness of the need to replace the existing structure. In the minds of some, that urgency seems to have eased - or disappeared. That urgency is still there. In addition, we now have the opportunity to take advantage of a very competitive bidding atmosphere. Please keep this project on schedule as shown in the EIS!

Your answers to the questions below will let the agencies know if the Supplemental Draft EIS format was helpful. Your answers

to these questions are not part of the EIS process and they will not receive a response.

1. Is this the first EIS you have read?

☐ Yes ☒ No

2. Have you previously participated in public meetings/ comment periods related to the AWV project?

☒ Yes ☐ No

3. Did you find this Supplemental Draft EIS format easy to understand?

☒ Yes ☐ No Why or why not?

4. Did the graphics help make the Supplemental Draft EIS easier to review and understand?

☒ Yes ☐ No

5. Did you refer to the technical appendices?

☐ Yes ☒ No

6. What did or didn't you find helpful when reading this Supplemental Draft EIS? _____
