Subject: NO ON TUNNEL

I-112-001 | Portland completely removed their highway running through downtown next to the river. Experts predicted doom and chaos. Now people go to study Portland for its wisdom and progressive planning/design. NO TUNNEL. NO HIGHWAY of any kind; instead effective mass transit. Too much to hope for I'm afraid.

Brian

I-112-001

Chapter 2, Alternatives Development, of the Final EIS describes how the project began and the alternatives development process, which included key decision points and public involvement. Please refer to the Final EIS for current information.
