To whom it may concern:

I-0995-001

I support the Pacific Interchange Plan for SR520. It makes a direct link for transit between SR520 and the Second Transit light rail for the University of Washington. This really makes sense to me! My mom lives in this area and would really benefit from this approach too.

Thank you for all of your work and time you have put into this.

Sincerely,
Robin Counsellor
