Comments:

**I-1021-001** | I commute on the 520, and I support the Pacific Interchange which would feature 6 lanes. In fact, having lived in the San Francisco Bay Area for over a decade, I feel the bridge should be 8 lanes! Seattle needs to plan for the future and 6 lanes won't cut it 20 years from now! Thanks for your time, Aaron

**I-1021-001**

**Comment Summary:**

Pacific Street Interchange Option

**Response:**

See Section 1.2 of the 2006 Draft EIS Comment Response Report.
