Subject: i support transit, bikes, tolls, and NO to 8 lanes
Date: Tuesday, October 31, 2006 12:27:29 PM
Attachments:

I-1107-001 | I support tolls. I support a bike/pedestrian lane and good bike route connections. I support a lane for buses/HOVs. I would prefer to see four lanes rather than six, and certainly not eight.

I-1107-002 | PS: It's too much of a hassle to register to submit comments using form on web page.

Thank you,
David Williams
