Comments:

I-1154-001 | Here are my key point views (in order of my priority) on replacing the 520 bridge. Tolls need to
I-1154-002 | help fund any upgrades. No matter which plan is chosen make sure it is rail upgradable /
| compatible. I prefer the pacific street interchange option with 6 lanes. Sincerely, Gary
| Amundson

I-1154-001
