I-1157-001 Please look at alternatives other than the Pacific Interchange.... This option will forever destroy the Arboretum, the views through the Montlake Cut, and Husky Stadium. I live at 2153 E Shelby, in Montlake and I do not support this option. In fact, there are many, many Montlake residents who oppose this option. BetterBridge consist of an arrogant dozen residents living in South Montlake who believe they speak for our community when in fact, THEY DON'T!
