Dear Mr. Krueger:

I-1203-001

I support a 4-lane, transit-based plan for the 520 Bridge. Also, I request that a thorough Section 106 review be undertaken of the effects of the SR 520 Project on Washington Park Arboretum, Lake Washington Boulevard and University of Washington Campus. All are significant Olmsted cultural landscapes, all are eligible for National Register of Historic Places, and all are adversely impacted by all proposed 520 alternatives.

Please help to get us out of our cars and into green places.

Sincerely,

Jonna Lee Hough
