Comment:

I support the Pacific Interchange! I live in Sand Point and commute to BCC for work several times a week. Travelling two miles on Montlake Blvd can often take me more than 30 minutes at peak times. I have tried taking a bus from the UW to BCC, and that took approximately 1.5 hours and involved two bus changes!! The Pacific Interchange is the best plan because it reduces gridlock on Montlake and provides a direct link to the rail and bus transit systems.

Thank you,

Amanda Franklin
