Thank you for this opportunity to give input on the various designs. I urge you to adopt the Pacific Street Interchange plan. This is the only way the terrible traffic congestion on Montlake Blvd & the adjacent 520 ramps will be reduced. We do not need a 2nd Montlake bridge. We do need a direct link from 520 to the U.W. Campus & the transit center that will be built by Sound Transit for light rail at the intersection of Pacific & Montlake Blvd. This proposal is the only one that will allow reduction of congestion for

the "montlake mess"! Thank you!
