Subject: Questions about Montlake/520 Intersection

**I-015-001** |

I have some questions regarding the traffic flow and ramps at Montlake Blvd and the 520 interchange in Option A. Who can I call to get answers to my questions?

Because you also submitted your question to the SR 520 Program as a general comment, not on the SDEIS, you received a response from Suanne Pelley, the Communications Manager for the SR 520 Corridor Program, on February 5, 2010.
