Everything seems to be in order. At Houston M. Drayton + Associates, we are primarily concerned about ensuring that DBE and apprenticeship goals are met through proper workforce monitoring by an independent third party.

WSDOT's Equal Employment Opportunity (EEO)/On the Job Training (OJT) Contract Compliance Programs handle monitoring and compliance efforts for Condition of Award and apprenticeship goals. Specific DBE requirements and apprenticeship goals are determined during preparation and review of the project plans and specifications. This typically occurs during General Plans Review, sometimes characterized by a 60 percent design stage. For information about WSDOT's EEO Compliance/OJT Support Services Program, see the department web page at http://www.wsdot.wa.gov/equalopportunity/PoliciesRegs/EEO_OJT_ContractCompliance.htm.
