

# Columbia River Draft Environmental Impact Statement CROSSING Comment Form

The Columbia River Crossing project welcomes your comments on the findings of the Draft Environmental Impact Statement or any other aspect of the project or process. Please fill out this form and use additional sheets of paper if necessary. Give this form to project staff or return to the project office.

## TELL US ABOUT YOURSELF

What is your home zip code? 98685 Work zip code? 98663

Do you: (check all that apply)

<input type="checkbox"/> Live in the project area?	<input type="checkbox"/> Commute through the project area?	How do you regularly travel in the project area: (check all that apply)	
<input checked="" type="checkbox"/> Work in the project area?	<input type="checkbox"/> Other	<input type="checkbox"/> Bicycle?	<input type="checkbox"/> Bus?
<input type="checkbox"/> Own a business in the project area?		<input checked="" type="checkbox"/> Car or Truck?	<input type="checkbox"/> Walk?
		<input type="checkbox"/> Other	

Comments:

P-0615-001 I am a light rail fan. With gas prices high it is the best answer.

P-0615-002 I wish there was a way to do a tube under the river.

## 1. WHICH BRIDGE OPTION DO YOU SUPPORT? (please check any that you would support)

P-0615-003  Replace the existing bridges

Supplement the existing bridges with a new structure

Do nothing—make no changes to the existing bridges

No opinion

- over -

### P-0615-001

Preferences for specific alternatives or options, as expressed in comments received before and after the issuance of the DEIS, were shared with local sponsor agencies to inform decision making. Following the close of the 60-day DEIS public comment period in July 2008, the CRC project's six local sponsor agencies selected a replacement I-5 bridge with light rail to Clark College as the project's Locally Preferred Alternative (LPA). These sponsor agencies, which include the Portland City Council, Vancouver City Council, TriMet Board, C-TRAN Board, Metro Council, RTC Board, considered the DEIS analysis, public comment, and a recommendation from the CRC Task Force when voting on the LPA.

With the LPA, new bridges will replace the existing Interstate Bridges to carry I-5 traffic, light rail, pedestrians and bicyclists across the Columbia River. Light rail will extend from the Expo Center MAX Station in Portland to a station and park and ride at Clark College in Vancouver. Pedestrians and bicyclists would travel along a wider and safer path than exists today.

For a more detailed description of highway, transit, and bicycle and pedestrian improvements associated with the LPA, see Chapter 2 of the FEIS.

### P-0615-002

Many different options for addressing the project's Purpose and Need were evaluated in a screening process prior to the development and evaluation of the alternatives in the DEIS. Options eliminated through the screening process included a new corridor crossing over the Columbia River (in addition to I-5 and I-205), an arterial crossing between Hayden Island and downtown Vancouver, a tunnel under the Columbia River, and various modes of transit other than light rail and bus rapid transit. Section 2.5 of the DEIS explains why a third corridor, arterial crossing of

**2. WHAT HIGH CAPACITY TRANSIT MODE DO YOU SUPPORT? (please check any that you would support)**

- P-0615-003**  Bus rapid transit between Vancouver and Portland
- Light rail between Vancouver and Portland
- Do not add high capacity transit between Vancouver and Portland
- No opinion

**3. WOULD YOU SUPPORT BRINGING BUS RAPID TRANSIT OR LIGHT RAIL TO THE FOLLOWING LOCATIONS? (please check any that you would support)**

	Yes	No	Unsure	No Opinion
Lincoln Terminus (39th and Main)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Giggins Bowl Terminus (I-5 and 45th)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Clark College MOS Terminus	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Mill Plain MOS Terminus (15th and Main)	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

**DO YOU WANT TO STAY INVOLVED IN THE PROJECT? | Optional**
 YES  NO Would you like to be added to the project mailing list?

Name (First &amp; Last Name, Organization)

*I am already on your  
email list.*

Address (Street, City, State, Zip)

E-mail (enter address to receive monthly electronic updates)

## Thank you!

the Columbia River, and several transit modes evaluated in screening were dropped from further consideration because they did not meet the Purpose and Need. For a general description of the screening process see Chapter 2 (Section 2.7) of the FEIS. It should be noted that every proposal received from the public was considered, and many of the proposals that were dropped from further consideration included elements that helped shape the alternatives in the DEIS.

**P-0615-003**

Thank you for your comment. Preferences for specific alternatives or options, as expressed in comments received before and after the issuance of the DEIS, were shared with local sponsor agencies to inform decision making.
